TO: Branch Managers / Acting Managers

FROM: Barry Novack (BJN)

DATE: February 24, 2010

SUBJECT: Post Time Change at Aqueduct

On Wednesday, March 3, 2010, the first race post time at NYRA (Aqueduct) will change from 12:30 p.m. to 1:00 p.m. Please adjust the scheduled hours/ reporting times for all pt / ft betting clerks as required to accommodate this new first race post time (i.e.; 12:15 / 12:30 or 12:45). Enclosed, you will find two blank schedules to make the adjustments on. One copy is to be kept in the branch; the other is to be sent to the Manpower Department, attention: Gee. If you need guidance or assistance, please contact your District Director or the Manpower Department.

Please note:

This will not be a major pick of schedules for managers or betting clerks. Those branch offices that have not had the opportunity for their betting clerks to pick new days off and schedules in the latter part of 2009, may contact their District Director or designee, who in turn will prepare their schedules to be in compliance with our agreement with Local 2021.

Thank you for your anticipated cooperation.
